Bud, et al.,

We received your request for an extension of the date for submittal of the Bureau of Water's SOP for Citizen Complaints. Per this email, and as previously discussed, we agree to extend the date to March 28th. Thank you for your continued work on these improvements.

Per the requirements of the "FFY 2013 Illinois Program Work Plan – Water Programs", NPDES Compliance Monitoring and Enforcement for CAFOs, we are reviewing the USEPA February 4th comments on the Bureau of Water's SOP for Citizen Complaints. We request a delay till March 28th to reply with a revised SOP including an amended statewide complaint tracking database.
